

Four Sisters Inn is a small luxury inn tucked away downtown, yet within walking distance of most everything Gatlinburg has to offer. We are located at the end of Stuart Lane, just 2 blocks from Historic Nature Trail (Airport Road).

Four Sisters Inn is on a quiet wooded street just a 5-minute walk from Gatlinburg's Convention Center and Trolley Stop. It is also a 5-minute walk to the Parkway with its attractions, shopping and fine restaurants. You can park your car and forget it for most of your visit with us.

Welcome!

The Inn is unique in concept and our goal is to anticipate your every need. We have 5 rooms and a suite with private kitchenette and living room. The rooms are beautifully decorated and each offers premium linens, cable TV with HBO, phones and a private bath with botanical bath products. Rooms have two double beds or one queen bed. All rooms have wired broadband Internet connections as well as wireless being available throughout the facility.

Rooms are available individually or the inn can be reserved for a group. Please call or email for group arrangements.

The Inn boasts a two-story common area, eating area with coffee maker, microwave, toaster oven, icemaker and refrigerator. The living room area offers comfortable seating, a large fireplace, wide screen TV with DVD player, books and games. You can visit, relax and plan your adventures in comfort. You'll appreciate the quality of custom furniture, the woodwork and stacked stone of the Inn. We offer a wooded patio with deck furniture for relaxing outside and for the convenience of our guests who smoke.

Private, quiet, yet close to everything. Convention attendees will appreciate its proximity to the Convention Center. Families will appreciate being able to be together or to "escape" into downtown Gatlinburg with ease.
